

If you do not see your API for core laboratory testing, we are happy to discuss a method development project for you. Please contact us through [info@dynalabs.us](mailto:info@dynalabs.us).

**Please note**, DVx-04 testing is not covered by this API list. For information about APIs for the DVx-04, contact your sales representative or email us at [DVx@DYNALABS.us](mailto:DVx@DYNALABS.us).

5-Flurouraci  
 7-keto DHEA\*

**A**

Acetaminophen\*  
 Acetylcysteine\*  
 Adenosine\*  
 Alprostadil\*  
 Amiodarone HCL\*  
 Amiodarone\*  
 Amitriptyline HCL\*  
 Amitriptyline\*  
 Amlodipine Besylate  
 Ampicillin\*  
 Anastrozole\*  
 Argatroban\*\*\*  
 Ascorbic Acid\*  
 Atropine Sulfate\*  
 Atropine\*

**B**

Baclofen\*  
 Benzocaine\*  
 Betamethasone (Base)\*  
 Betamethasone Acetate\*  
 Betamethasone Sodium Phosphate\*  
 Biotin\*  
 Budesonide-UV  
 Bumetanide\* Caffeine Citrate  
 Bupivacaine HCL\*  
 Bupivacaine\*  
 Buprenorphine HCL\*  
 Buprenorphine\*

**C**

Caffeine\*  
 Caffeine Citrate\*  
 Calcium Chloride Dihydrate\*\*  
 Calcium Citrate  
 Calcium Gluconate\*\*  
 Carbamazepine\*  
 Carvedilol\*  
 Cefazolin Sodium\*  
 Cefazolin\*  
 Cefepime\*  
 Cefotaxime Sodium  
 Ceftazidime\*  
 Ceftriaxone Sodium\*

Ceftriaxone\*  
 Cefuroxime\*  
 Cefuroxime Sodium\*  
 Chlorothiazide Sodium\*  
 Chlorothiazide\*  
 Ciprofloxacin HCL\*  
 Ciprofloxacin\*  
 Cistatracurium Besylate (Nimbex)\*\*\*  
 Clenbuterol-UV  
 Clindamycin Phosphate\*  
 Clindamycin\*  
 Clonidine HCL\*  
 Clonidine\*  
 Colchicine-UV  
 Co-Enzyme Q10- UV  
 Cromolyn-UV  
 Cyanocobalamin\*  
 Cyclobenzaprine HCL\*  
 Cyclobenzaprine\*  
 Cyclopentolate\*  
 Cyclosporine A\*

**D**

Deferoxamine Mesylate\*  
 Dehydroepiandrosterone (DHEA) \*  
 Dexamethasone Acetate\*  
 Dexamethasone Sodium Phosphate\*  
 Dexamethasone Phosphate\*  
 Dexmedetomidine (Precedex)\*  
 Dextromethorphan Hydrobromide\*  
 Diazepam\*  
 Diclofenac\*  
 Diclofenac Potassium\*  
 Diclofenac Sodium\*  
 Diltiazem HCL\*  
 Diltiazem\*  
 Dipyridamol\*  
 Dobutamine\*  
 Dopamine HCL\*  
 Dopamine\*  
 Doxepin HCL\*  
 Doxepin\*  
 Droperidol\*

**E**

Edetate Calcium Disodium\*\*  
 Edetate Disodium\*\*  
 Ephedrine HCL\*

Ephedrine Sulfate\*  
 Ephedrine\*  
 Epinephrine Bitartrate\*  
 Epinephrine HCL\*  
 Epinephrine\*  
 Estradiol\*  
 Estradiol Cypionate  
 Estradiol Valerate  
 Estriol\*  
 Estrone\*  
 Etomidate\*

**F**

Famotidine\*  
 Fentanyl Citrate\*  
 Fentanyl\*  
 Finasteride\*  
 Fluconazole-UV  
 Flurbiprofen\*  
 Folic Acid-UV  
 Fluorouracil (See 5-FU)  
 Furosemide\*

**G**

Gabapentin\*  
 Gentamicin Sulfate\*  
 Gentamicin\*  
 Glutathione Reduced\*  
 Glycopyrrolate\*  
 Guaifenesin\*

**H**

Hyaluronic Acid-UV  
 Hydrocortisone\*  
 Hydrocortisone Acetate\*  
 Hydrocortisone Sodium Phosphate\*  
 Hydrocortisone Succinate\*  
 Hydromorphone HCL\*  
 Hydromorphone\*  
 Hydroxocobalamin HCL\*  
 Hydroxocobalamin\*  
 Hydroxyprogesterone Caproate\*

**I**

Ibuprofen\*  
 Indocyanine green-UV  
 Iohexol\*\*  
 Ipratropium Bromide-UV

Isradipine\*  
 Itraconazole-UV

**K**  
 Ketamine HCL\*  
 Ketamine\*  
 Ketoprofen\*  
 Ketorolac Tromethamine\*  
 Ketorolac\*

**L**  
 Labetalol HCL\*  
 Lansoprazole  
 Leuprolide Acetate\*  
 Leuprolide\*  
 Levothyroxine Sodium\*  
 Levothyroxine\*  
 Lidocaine HCL\*  
 Lidocaine\*  
 Liothyronine Sodium\*  
 Liothyronine\*  
 Lipoic Acid-UV  
 Lorazepam\*

**M**  
 Magesium Chloride Hexahydrate\*\*  
 Magnesium Chloride\*\*  
 Magnesium Citrate  
 Magnesium Sulfate\*\*  
 Medroxyprogesterone Acetate-UV  
 Meloxicam\*  
 Meperidine\*  
 Meperidine HCL\*  
 Mepivacaine HCL\*  
 Methadone HCL\*  
 Methimazole  
 Methohexital Sodium\*  
 Methohexital\*  
 Methylcobalamin-UV  
 Methylphenidate\*  
 Methylprednisolone Acetate\*  
 Methylprednisolone  
 Methylprednisolone Sodium Succinate\*  
 Metoclopramide HCL\*  
 Metoclopramide\*  
 Metoprolol Succinate\*  
 Metoprolol Tartrate\*  
 Metoprolol\*  
 Metronidazole Base\*  
 Midazolam\*  
 Midazolam HCL\*  
 Milrinone\*  
 Minoxidil\*  
 Mitomycin\*  
 Mometasone Furoate\*  
 Morphine Sulfate\*  
 Moxifloxacin HCL\*  
 Moxifloxacin\*

**N**  
 N-Acetylcysteine\*  
 Nafcillin\*  
 Nalbuphine HCL\*

Nalbuphine\*  
 Naltrexone HCL\*  
 Naltrexone\*  
 Nandrolone Decanoate  
 Neostigmine Methylsulfate\*  
 Neostigmine\*  
 Nicardipine HCL\*  
 Nicardipine\*  
 Nifedipine\*  
 Nitroglycerin\*  
 Norepinephrine Bitartrate\*  
 Norepinephrine HCL\*  
 Norepinephrine\*

**O**  
 Omeprazole Sodium\*  
 Omeprazole\*  
 Ondansetron HCL\*  
 Ondansetron\*  
 Orphenadrine Citrate\*  
 Oxytocin\*\*\*\*

**P**  
 Pantoprazole Sodium\*  
 Pantoprazole\*  
 Papaverine HCL\*  
 Papaverine\*  
 Pemoline-UV  
 Penicillin G Potassium\*  
 Pentobarbital Sodium\*  
 Pentobarbital\*  
 Pentoxifylline\*  
 PGE-1\* (see alprostadil)  
 Phenobarbital Sodium\*  
 Phenobarbital\*  
 Phenol\*  
 Phentolamine Mesylate\*  
 Phentolamine\*  
 Phenylephrine HCL\*  
 Phenylephrine Tannate\*  
 Phenylephrine Tartrate\*  
 Phenylephrine\*  
 Piperacillin Sodium\*  
 Piperacillin\*  
 Piroxicam\*  
 Potassium Bromide\*\*  
 Potassium Chloride\*\*  
 Potassium Citrate  
 Povidone-Iodine (Betadine)  
 Prednisolone\*  
 Prednisolone Sodium Phosphate\*  
 Prednisone  
 Pregnenolone\*  
 Prilocaine HCL\*  
 Procaine HCL\*  
 Procaine\*  
 Progesterone\*  
 Promethazine HCL\*  
 Promethazine\*  
 Proparacaine HCL\*  
 Proparacaine\*  
 Propofol\*  
 Prostaglandin\* (see alprostadil)

Pyridoxine HCL\*  
 Pyridoxine\*  
  
**R**  
 Ranitidine HCL\*  
 Ranitidine\*  
 Remifentanyl\*  
 Rifampicin\*  
 Rocuronium Bromide\*  
 Ropivacaine HCL\*  
 Ropivacaine\*

**S**  
 Sildenafil Citrate\*  
 Sildenafil\*  
 Simvastatin\*  
 Sodium Bicarbonate\*\*  
 Sodium Chloride\*\*  
 Sodium Citrate  
 Sodium Thiosulfate\*\*  
 Spironolactone\*  
 Succinylcholine Chloride\*  
 Succinylcholine\*  
 Sufentanil Citrate\*  
 Sufentanil\*

**T**  
 Tazobactam Sodium\*  
 Tazobactam\*  
 Testosterone\*  
 Testosterone Cypionate\*  
 Testosterone Enanthate\*  
 Testosterone Propionate\*  
 Tetracaine HCL\*  
 Tetracaine\*  
 Thiamine HCL\*  
 Thiamine\*  
 Tramadol HCL\*  
 Tramadol\*  
 Triamcinolone Acetonide\*  
 Triamcinolone Diacetonide\*  
 Tromethamine\*  
 Tropicamide\*

**U-Z**  
 Ubidecarenone-UV  
 Vancomycin HCL\*  
 Vancomycin\*  
 Vecuronium Bromide\*  
 Verapamil\*  
 Zidovudine\*  
 Zonisamide\*  
 Zosyn (Piperacillin and Tazobactam)\*

**UV Test Requirements:**

- No Preservatives
- No Flavorings
- No Dyes
- No Multi-active
- No Time Studies (Exceptions allowed for Methylcobalamin, Hyaluronic Acid, and Sodium Hyaluronate)

\*Stability Indicating Method-Formula Specific validation work may be needed; \*\*Titration Method- Standard sample amounts do not apply and certain actives cannot be tested in Normal Saline; \*\*\* Pharma required; \*\*\*\* Pharma and Diluent Required, UV requirements see last page. Please contact us with any questions.
